Enrollment

In the pages that follow, you will be able to proceed with the enrollment on your preferred course of studies.

The table below outlines the information that you will be asked to provide.

A check mark will appear next to each heading as soon as the relevant information has been inserted. In the event that your connection to the system is interrupted, the check marks will help you to resume completion of the form.

Click on the button at the bottom of this page to begin the enrollment procedure.

Enrollment: Application Options

The following pages will allow you to enrol in the course of your choice.

At the end of the procedure you will be able to print the enrollment application, which will allow you to effectuate the contribution installments.

The payment is necessary to complete your enrolment.

We inform you that, according to Art. 48 part 1 of the Didactic Regulation, approved with Rectoral Decree n. 628/2008 of April 2, 2008, it is forbidden to enrol on more than one University course at anyone time.

Type of University application:

- Standard enrolment

Back  Forward
Enrollment: Method of Admission

In the following pages you will be able to enrol on a course of study.

Choose method of admission

- [ ] Enrollment to free access courses
- [x] Enrollment to courses with access programmed at national level

Enrollment: Selection of type of course

Choose the type of course you wish to enrol on.

Course options

- [x] Post Riforma*
- [ ] Post- professional Master's Courses
Select "Cooperation and Development".
Check if all the information are correct and then press 'Forward'. 
For those who hadn’t their study title situation clear during the Admission phase, a red dot in the Qualification Status column highlights the need to proceed selecting one of the 'insert' options as appropriate, in order to fix it.
Those whose study title situation was already clear at the admission phase will just need to hit the forward button.
Enrollment: Enrollment data

In this page you will be required to enter other data necessary for enrollment.
