AND FURTHER DECLARES

According to law provisions concerning simultaneous enrollment in two university degree courses reported above:

- The two degree courses for simultaneous enrollment belong to different classes and have two thirds of their learning activities differentiated (-> art. 2 co. 1 D.M. n. 930/2022);
- Be aware that if one of the two courses has mandatory attendance it is allowed to enrol in a second degree course without any attendance obligations, except for courses in which attendance is mandatory only for laboratory and traineeship activities (-> art. 3 D.M. n. 930 of 29 July 2022);
- Have paid the regional tax for the academic year 2022/2023 to the following University/AFAM Institution _____;
- Consider the University of _____ for the access to benefits in place according to the provisions on the right to study (-> art. 7 co. 1 D.M. n. 930/2022);
- Communicate promptly any possible variation concerning the enrolment in the study course not belonging to the University of Pavia, including modifications to the personal study plan;
- Perusal of the provisions published on the academic website concerning simultaneous enrollment in two university degree courses <https://web.unipv.it/formazione/futuri-studenti/iscrizione-contemporanea-a-due-corsi-di-istruzione-superiore/>

The candidate attaches the following mandatory documents, otherwise the request cannot be considered:

- personal study plan including the list of the learning activities with the corresponding credits and the scientific sector, or alternatively, other similar official document reporting information on the planned training activities;
- copy of a valid ID document.

Place and date, Readable signature.....

Notice pursuant to articles. 13-14 European Regulation (EU) 2016/679 concerning data protection

According to the articles 13-14 of the EU Regulation 2016/679, I declare to be informed that data will be treated and may be communicated to subjects as set by the law, using electronic devices, exclusively in the frame of the proceedings the current declaration implies, and even on those data it is possible to have the right to access data as set by article 15 of the EU Regulation 2016/679.

UNIVERSITÀ DI PAVIA

For more information on the treatment of personal data, please peruse the extended version of the law under the privacy section of the University website <https://privacy.unipv.it/wp-content/uploads/2020/03/Informativadichiarazionesostitutiva.pdf>.
