3 rd CALL <i>(it will be opened only in case of available seats)</i>	EU students	From September 16 th to 28 th September 2023	12 th October 2023	From 13 th October to 23 rd October 2023

1. GENERAL INFORMATION

For the 2023/24 academic year the University of Pavia will offer Joint Master Degree in Lifelong well-being and healthy aging (LM-9) with a duration of two years.

The student will receive the diploma from each of the Universities where he will attend a semester and take the exams. The award of the degree depends on the accreditation status of the Joint Master Degree in each partner country.

1.1. EC2U ALLIANCE

The EC2U Alliance, in accordance with legislation in their respective jurisdictions, manage this Multilateral Master's Degree based on a joint programme, in accordance with the work plan and the Grant Agreement of the European project "European Campus of City-Universities (EC2U)", approved in July 2020. The Universities involved in this degree programme are the 7 Consortium Institutions: University of Salamanca (Spain), University of Coimbra (Portugal), University of Iași (Romania), University of Jena (Germany), University of Pavia (Italy), University of Poitiers (France), University of Turku (Finland).

1.2 ACADEMIC OFFER

The Joint Master Degree in Lifelong well-being and healthy aging is organized in two academic curricula. All seven EC2U Universities deliver a semester that can be choose to define the personalized Joint Master Degree study plan.

The two curricula are articulated as shown below:

➤ **Healthcare track curriculum***

First Semester	Alexandru Ioan Cuza University of Iasi
Second Semester	University of Salamanca
Third Semester	University of Pavia
Fourth Semester	One of the seven University

➤ **Welfare track curriculum***

First Semester	Alexandru Ioan Cuza University of Iasi
Second Semester	Alexandru Ioan Cuza University of Iasi or University of Turku
Third Semester	University of Coimbra or University of Poitiers or University Friedrich Schiller of Jena
Fourth Semester	One of the seven University

The same University can be chosen for a maximum of 2 semesters. At the University of Pavia by national law the number of positions for Non-EU students is 6. Places that are not filled by Non-EU students will be filled by EU applicants.

All relevant information about the program, such as admission requirements and procedures, course catalog, mobility, fees, examination and assessment procedures, will be published on the [EC2U website](#) and at each Consortium Institution website in the following languages: English, Finnish, French, German, Italian, Portuguese, Romanian, Spanish. The Degree Programme structure is described in the Programme Handbook available at following link [Lifeline Programme Handbook](#).

* *The University of Poitiers is waiting for accreditation.*

2. RECRUITMENT, DEADLINES AND HOW TO APPLY

Students may **apply online and submit the required documents in PDF format, as written in point 3** only through this portal: <https://apply.unipv.eu/>

When applying to the program, applicants will have to rank the partner universities in which they would like to attend the second, third and fourth semesters based on the "Welfare" and "Healthcare" track selection. For each semester they have to indicate two choices, when possible.

Accepted applicants will be given their first choice whenever possible. If this is not possible, they will be admitted to their next choice as necessary, to ensure numerical balance in enrollments between the partners. In this case, the applicant will receive a notification with the second option indicated during the application or a third one proposed by the Global Admission Committee, which the applicant is free to refuse. The student will be supported by the Global Admission Committee to design the personalized curriculum taking into consideration the initial preferences. The final number of registrants per partner university will be approved by the Global Admission Board.

The Global Admissions Committee, headed by Alexandru Ioan Cuza University, will oversee the application and admission process and the Global Academic Board will monitor the Program's student recruitment. Further information will be provided step by step to the admitted students via email to the address they provided during the application process.

The rankings of candidates eligible to enroll will be published on the EC2U website and on each University website. Candidates who are entitled to enrolment must accept or decline the place in accordance with the table on page 1 by sending an e-mail to ec2u@uaic.ro.

3. ADMISSION REQUIREMENTS AND SELECTION CRITERIA

EC2U is committed to fair, transparent and consistent admissions practices and procedures.

3.1 ENTRY REQUIREMENTS

The entry requirements comply with the national legislation of the countries of the partner universities and are the following:

- Candidates of the Degree Program must hold an official degree issued by a Higher Education Institution belonging to a member State of the [European Higher Education Area](#) that entitles access to Master degree programs in any given partner country. Graduates from educational systems outside of the European Higher Education Area may also be admitted if students hold an equivalent University degree. In this case, admission will be subjected to verification by the Consortium Institution administrations in compliance with local regulations.
- In order to apply for the Degree Program, students should have a **Bachelor degree in one of the following areas**: health and welfare, social and behavioral sciences, psychology and sports, life sciences (biotechnology, biological sciences, pharmacy, medicine) or any other area accepted in the country of the application. All documents submitted (Diploma and Transcript of Records with the average and grades in numbers clearly stated) should be issued by the relevant official body/bodies;
- For enrollment in the Master's programme, the Italian recognized degree is one of the following classes pursuant to Ministerial Decree 270/2004: L-2 Biotechnology, L-13 Biological Sciences, LM-13 Pharmacy and Industrial Pharmacy (including the single-cycle degree in Pharmaceutical Chemistry and Technology), LM-41 Medicine and Surgery and corresponding classes pursuant to Ministerial Decree 509/1999. In case of the student does not major in one of the above degrees, the curricular requirements are still considered satisfied if the student has acquired at least:
 - 10 ECTS in mathematics, physics, computer science and statistics (Italian disciplinary areas: from FIS/01 to FIS/08, from MAT/01 to MAT/09, INF/01, MED/01, SECS-S/01, SECS-S/02);
 - 10 ECTS in the chemical and biological areas (Italian scientific areas: CHIM/01, CHIM/02, CHIM/03, CHIM/06, BIO/01, BIO/10, BIO/11, BIO/13, BIO/17, BIO/18, BIO/19);
 - 20 ECTS in the biotechnology area (Italian scientific areas: from BIO/01 to BIO/07, from BIO/12 to BIO/19, from CHIM/01 to CHIM/05, from CHIM/08 to CHIM/11, MED/03, MED/04, MED/05, MED/07, MED/09, MED/13, MED/15, MED/42).
- **English Language certification** (see accepted certificates in Annex I: [English Accepted Certificates](#)): **B2 level**, defined according the Common European Framework of Reference for Languages (CEFR), is required, except for an applicant with a previous university degree (Bachelor, Master or Doctorate) delivered in English. Applicants must provide evidence of attaining B2 Level before confirmation of offer and enrolment.

Once the call expires, the leading Institution, University Alexandru Ioan Cuza of Iasi is responsible for the administrative eligibility check of the received applications. All eligible applications will be evaluated jointly by the Global Admission Committee

3.2 SELECTION CRITERIA AND PROCEDURE

Admission to the programme is selective. The number of available seats for the a.y. 2023/24 is stated at page 1. The candidates will be ranked on a scale of 100 points. The selection criteria will be assessed based on:

- Transcript of Records
- Knowledge of English language
- European Standard Curriculum Vitae

The criteria include four categories:

- ✓ *Academic Excellence (50 points)*
Points for academic excellence are based on the ECTS weighted average of the exam grades reported in the transcript of records that student provides at the time of application. If the applicant has more than one previous degree, the Global Admission Committee will consider the highest level or in case of equal level, the first one listed by the applicant.
- ✓ *Language Knowledge (20 points)*
The knowledge of higher levels with respect to the minimum requirement will be considered.
- ✓ *Personal Competencies declared by the applicant (30 points)*

4. RANKING LIST

The ranking, based on the criteria listed above, will be published according to the different call as indicated on page 1.

The first 50 students with the best score will be declared eligible by the Committee and will be placed on the ranking list; the first 20 students will be admitted for enrollment. In the event of a withdrawal, the student in the next position on the ranking list will be contacted in order to start the enrollment procedure.

The preferences expressed in the application will be considered by the Committee that will reserve the right to make the final decisions, also considering the homogeneity of the distribution of students among the partner institutions of the EC2U consortium.

The admitted student list will be published in an anonymised form for transparency.

The applicant will receive an email notification from the leading Institution, University Alexandru Ioan Cuza of Iasi, with one of the following options:

- Admitted
- Admitted under condition
- Waiting listed
- Non-admitted

The applicant must accept the offer of admission within the deadline established in the table on page 1. A notification of admission that has not been accepted within the prescribed time will expire.

Unadmitted applicants will have the opportunity to make an appeal to the Global Admission Committee within 10 working days from the publication of the ranking. Information on how to proceed will be provided by email.

For any aspect of admissions not regulated in this document, the Global Admission Committee will be responsible for establishing any further provision.

5. ENROLLMENT

The students that have passed the selection for the admission will be enrolled to all the Universities chosen in the study plan where the Master Degree is accredited.

EC2U student fee must be paid at the University Alexandru Ioan Cuza of Iasi, the administrative coordinator Institution.

Relevant information on how to enroll will be provided to the admitted candidates via email to the address they provided during the application process.

6. PROCEDURES TO APPLY AND ENROLL FOLLOWING A TRANSFER OR SECOND DEGREE

Students asking for a transfer from other master's degrees or for enrollment to a second degree will have to submit the online application for an evaluation as described in Section 4 and pass with a positive mark the selection phase according to the rules reported in Section 5. The Global Admission Committee will evaluate the student's previous academic career in order to assess a recognition of academic curriculum and proceed with enrollment at first or second year as described in Section 6.

The applicant should specify this request during the application procedure.

Information pursuant to art. 13 of the EU Regulation 2016/679 2003 ("Code regarding the protection of personal data")

The information provided by candidates will be processed by the University of Pavia in the interests of the institutional purposes of the University, for the provision of specific services requested by users, as well as for the fulfillment of the requirements of the law. Processing is normally performed by means of IT and informatic tools with the aim of storing and managing the data; in some phases this can be done on paper and, in any case, in such a way as to guarantee security and protect the confidentiality of the party concerned. The provision of personal details is therefore mandatory; the penalty for not providing them is exclusion from selection on the basis of qualifications. In compliance with current legislation, the personal details of users may become known to, and processed by personnel who are specifically in charge of processing. Candidates enjoy the rights provided for by art. 7 of the aforementioned Code, which include access to their personal details, and the rectification, updating, integration and cancellation, etc of them, as well the opposing of the use of data other than the aforementioned institutional data. These rights may be claimed against the Chancellor of the University of Pavia, the person responsible for the treatment of personal data. For any information not specifically provided in the present document, readers are referred to current legislation. The person responsible for the administrative procedures, pursuant to art. 4 of Law n. 241, 7 August 1990, as amended by Law 15/2005, is Dr. Matteo Bonabello.

The applicant takes responsibility for viewing and reading this Notice and fully complying with its provisions. No derogations or exceptions arising from erroneous interpretations of this Notice are allowed.
